Agent Dan! S.M.U.R.K. have put that train on the wrong track! You have to stop it before it hits another train coming the other way!

I'm... mmmgh... on top of it!

And remember... you can't tell anyone on the train! We don't want you causing a panic!

We wouldn't want that, would we?

Don't mind me! I was just taking a bit of air!

Tickets, please!

Er... I think I left it in my other tuxedo?

No ticket!

Yikes! Run away!

Crash!

Ooops! Isn't commuting awful?

Eek!

Smash!

He knocked out the driver! This was almost too easy! I'll just pull this lever to stop the train.

The next day...

Your homework was 'If a train leaves a station travelling at 30mph, how long until it meets a train five miles away travelling the other way?'

You wrote 'Never, if I can help it!'

No need to thank me, Mrs Creecher! Just doing my job!

What has teeth but doesn't bite? A comb!
SHUSH! MY FAVOURITE SHOW’S ABOUT TO START!

SO...

TIME TO GET READY FOR BED!

CLICK!

WHO TURNED OUT THE LIGHTS?

WHERE'S THE SWITCH?

AHA!
Why don’t comedians go skating? Because the ice might crack up!
It seems like we had rather high levels of precipitation last night!

You mean it rained a lot, Dad?

Look at this flood! How do we get across?

I've got just the thing!

A bath sponge? I think we might need more than that, Rubidium!

Ta-da!

It's designed to sense large deposits of water and absorb it!

See how quickly it soaked it up?

It certainly is very absorbing! Chuckle!

Where's it going now?

It must have sensed another large body of water nearby! Let's follow it!

Schock!

Blustering bionics! It soaked up the sea!

I think I'm going to have to invent something really big to wring it out!

Look at it go!

Nimble little thing, isn't it?

Lep!

Look this way!

The beach?

How do cod type on computers? With their fish fingers!

I'm off to my book club tonight! Have a great time!

Oops! I've left my car keys upstairs!

Mum's left her book unattended! Time for a little prank!

I'll swap the book covers! This should make Mum's book club more interesting!

What was your favourite part of the book?

I really liked how the author expressed the overwhelming feeling of...

...ninjas?!

Did I read the wrong book?

Are ninjas a metaphor for something?

So... your favourite part of the book?

I don't remember that part.

Uh-oh! It looks like I'm not in Mum's good books any more.

It's getting chiller now so I've made you this jumper to keep you warm!

It's a perfect fit, Yeti!

I'll see you after school!

Grrr! Itchy and hot!

Won't come off!

Ah! Yeti feel better now!

Uh-oh! Yeti broken Betty's jumper!

Haaah...

Later...

One! Do you smell sauce?

Nope!
I love a lazy Sunday morning in bed. Up, you two. It's far too late to still be lying in bed. It's far too early to be disturbing the peace. It's nearly eleven. I want you two downstairs in five minutes.

Okay! We'll get up.

What's the emergency?

We're going to train the cat.

To do what?

For starters, he can collect my Sunday newspaper from the doormat.

So...

Paws for a second, Dad. Cats don't do that.

Not a chance.

Yes, they do. They can also play the keyboard and use human toilets. I've seen it all on that YouTube thing!

How to train your cat.

Now, fetch my paper.

Come on, buddy. The quicker you get it, the quicker we can go back to our lazy day.

You need dodge 345bs.

He's doing it. He's fetching my paper!

Woosh!
Oops! Dodge cat got a little tangled up in that dodge.

My Sunday's now in shreds.

Now would be a purr-fect time to escape.

In Dennis's den in the woods...

Time to hide from this cat-apocalypse.

We need to get rid of Dad with dodge CT799. Wait here.

In the woods...

What's going on?

A Wooga! Intruder alert! Initiating lock down!

I've heard of a cat getting stuck up a tree but never a dad!

Ha-ha!

I know you're here. I will find you!

Luckily, I have catlike reflexes, ninja style.

Get back here. You two. We are training that cat.

Ha! I can hear you hiding in the den!

Roger! Let me out of this thing!

That cat and Roger aren't up here at all.

They're creepy and they're cooky, hilarious and spooky...

The Beano Family!

A Beanotown Adventure

I'm near Beano Towers now.
I expect they'll accept any price for such a smelly, derelict house.

Well... richer than we already are!

Care to join me in an evil laugh?

I have two questions, father.
Why do you wish to buy such a place and why are we talking on phones?

You never listen to me, Walter.

Beanotown sits on a fortune in natural parpium gas. We buy it, knock it down, extract the gas and become rich!

It's the parpium gas that makes the place smelly! - Ed

It'll be like taking candy from a baby!

Remember the time you tried that and the baby knocked you out?

I thought we agreed never to speak of it again?

It's not very inviting.

At Beano Towers...

The gates must be automatic, they're opening for us.

Creak!

And now they're closing! Speed up or...

Scrape goolge!

Most of it will polish out, I think.

It doesn't matter, with the money we're about to make, we'll be able to buy a thousand more cars!
EVEN THE DOORBELL IS UNINVITING!

RING IF YOU DARE!

DONG!

ARRGH!

HAS IT STOPPED YET? I CAN STILL HEAR A RINGSING IN MY HEAD! AM I SHOUTING?

YOU RANG?

ARE YOU THE OWNER?

NO.

IS THE OWNER HOME?

YES.

WHAT A CHATTY FELLOW.

I KNOW, I CAN’T SEEM TO SHUT HIM UP.

WAIT...

HERE...

LOOK AT THE EYES IN THE PORTRAIT, FATHER. THEY SEEM TO FOLLOW YOU AROUND THE ROOM.

UNCLE BORIS

THEY’VE EVEN FOLLOWED ME INTO THE CONSERVATORY!

FATTY’S HUNGRY?

ORETTE WILL...

CHOMP!

WHO’S CALLING ME AT SUCH AN IMPORTANT TIME?

HELLO?

IT’S ME, DAD! I’M IN A PLANT!
